6TH ANNUAL AG EDUCATION GOLF TOURNAMENT TEE OFF FOR AG LITERACY

Napa, Calif. – Farmers, educators and community members from all over California gathered at the Eagle Vines Golf club on May 8 for the 6th Annual Meadow Muffin Ag Education Golf Tournament. The day was spent immersed in natural beauty and enjoying a round of golf. Over \$22,000 was raised at this annual event. These funds directly benefit Napa county Farm Bureau's, Ag in the Classroom program to promote agriculture literacy in county schools.

Golfers gathered at Eagle Vines early for a continental breakfast and registration. The shotgun started the fun at 8:45. Thus began a long and entertaining round of golf complete with fun contests on several holes, refreshments and plenty of good-natured competition. The tournament featured two "Hole in One" chances sponsored by Lampson Tractor and Rainbow Agriculture Services, men's and women's longest drive contests, a putting contest and two holes of chance. The weather cooperated beautifully, with warm temperatures and clear skies. Following the tournament, golfers retreated to a delicious buffet lunch at the clubhouse. Napa Valley Magnum wine bottles were awarded to players for achievement on the course, as well as a silent raffle filled with a variety of goods. The AITC Golf Tournament remains a fun, light-hearted event with its heart in the right place, assisting agriculture education efforts in our county.

We would like to thank all of our generous donors and sponsors.

NCFB Agriculture in the Classroom is a 501(c)(3) organization that works with K-12 grade level teachers, students and community leaders, to enhance education using agricultural examples. Our mission is to increase awareness and understanding of agriculture among Napa's educators and students. The ultimate vision is an appreciation of agriculture by all.
