

# Agriculture Limited Mileage and Specialty Vehicles Ag Labels

# ORDER FORM

## For Napa County Farm Bureau Members

Napa County Farm Bureau provides stickers for members who need to be in compliance with the California Air Resources Board's Truck and Bus Rule. The stickers are for limited mileage and specialty vehicles.

Under the rule, trucks that are identified on the reporting forms as being agricultural vehicles, must affix or paint an ID label. **Owners must affix labels or paint an AG identification on their vehicles by April 30, 2010.** Truck owners must permanently affix or paint an AG identification label on the right and left door of each limited mileage, and specialty agricultural vehicle in their fleet as follows:

1. The label shall be located in clear view on the left and right door of the vehicle and be in clear view at all times.
2. The letters AG shall be white block lettering on a black background. Both letters shall be at least three inches high on a five by eight inch background.

**Order your labels today | Labels need to be on vehicles by April 30, 2010**
