

# Ag Safety Seminar

Best Management Practices  
for Napa County Agricultural Workers

**March 29, 2012 | 8am - 4:30pm**, lunch included

7:30 am registration

**NV College, Upper Campus, St. Helena**

1088 College Ave, Saint Helena, CA 94574

**DRP, CE credit applied for**

Farmers and farmworkers routinely must deal with potential hazards such as equipment, tractor, ATV, reptiles, chemicals, and the weather.

This seminar will educate farm employees about the importance of farm safety and healthy habits as well as remind them of the latest safety regulations. Classes will be presented in Spanish and English and attendees will receive a certificate of participation for their records

The seminar will cover:

- |                                 |                               |
|---------------------------------|-------------------------------|
| Emergency Action plan           | Health and Wellness           |
| ATV& Tractor Safety             | Healthy Eating                |
| Ag Driving Safety & Regulations | Reptile Awareness             |
| Water Quality                   | Open Burning                  |
| Pesticide Regulations           | Hazardous Material Handling & |
| Pest Education and Control      | Transport                     |
| Heat Illness                    |                               |

## First Aid & CPR

American Red Cross certification

The California Code of Regulations requires that "In the absence of an infirmary, clinic, or hospital in near proximity to the workplace, which is used for the treatment of all injured employees, a person or persons shall be adequately trained to render first aid."

First Aid certification is valid for 3 years from date of issue. CPR certification is valid for 1 year from date of issue.

The classes are limited to 16 students. We will confirm which class(es) you have been assigned to by email.
