Napa County Farm Bureau Endorses Keith Caldwell for Napa County Supervisor

Citing his commitment to preserve and protect Napa County agriculture, the Napa County Farm Bureau announced its endorsement of Keith Caldwell for Supervisor of Napa County representing the 5th District.

“Strong support on the Board of Supervisors for our agricultural businesses is essential to our members and to our county. Keith Caldwell is absolutely committed to preserving our agricultural legacy and sustaining our family farms and ranches. With 31 years in public service, Caldwell brings significant experience and knowledge to the job, particularly in the areas of fire safety, public finance and land use,” said Peter Nissen, Napa County Farm Bureau President.

Caldwell has pledged to support the county’s farmland and watershed protection policies and has actively supported Measure P, the November county ballot issue that extends Measure J for 50 years and gives voters the right to decide on whether to approve the conversion of agricultural land to a non-ag use.

“Farm Bureau supports Keith Caldwell and knows that he has the energy, commitment and skill needed to proactively work with citizens on the complex growth, transportation and water issues facing both South County and the County as a whole. Keith understands the importance of agriculture and open space in Napa County and has pledged to protect both,” Nissen said.

About the Napa County Farm Bureau

NCFB is a voluntary, non-profit, non-governmental organization whose basic goal is to ensure the proper political, economic, environmental and social climate for the continuation of agriculture. Today, NCFB strives to preserve land for agriculture, and creates policies and programs that allow us to maintain a high quality of life in Napa County.
